HAPPINESS IS BEGINNING. . .

Foreword

"We thank Thee Lord for all thy care,
For strength to learn, the chance to share;
For laughter, song, and friendships deep;
And all the happiness we keep."

Dear ole C.S.C.S. gives to us, its students, two important fulfillments: the happinesses of our never-to-be-forgotten school activities and the memorable beginnings of our adult lives.

Our school is the beginning of our social lives, and since Happiness is Beginning, we invite you to stir your memories with this account of our school year--'66-'67.

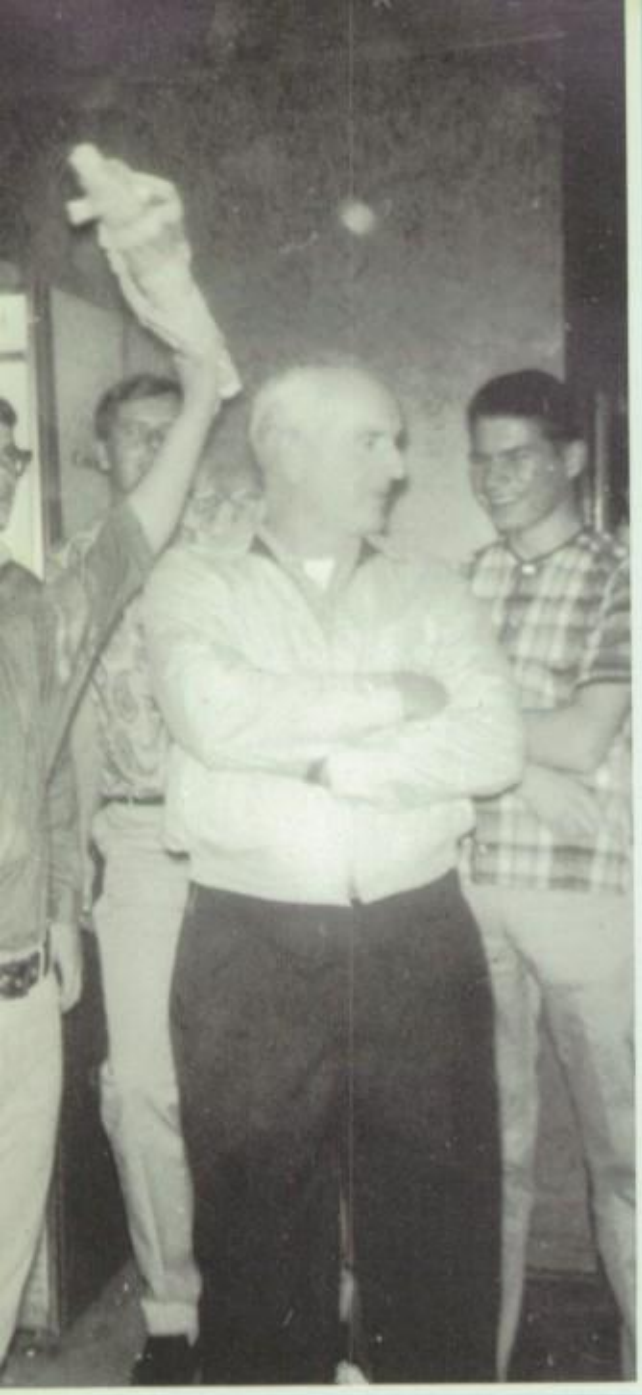
Dedication

Because he has worked for and with us, because he has given generously of his time and wisdom--words are a poor substitute with which to express our sincere respect and admiration for this man.

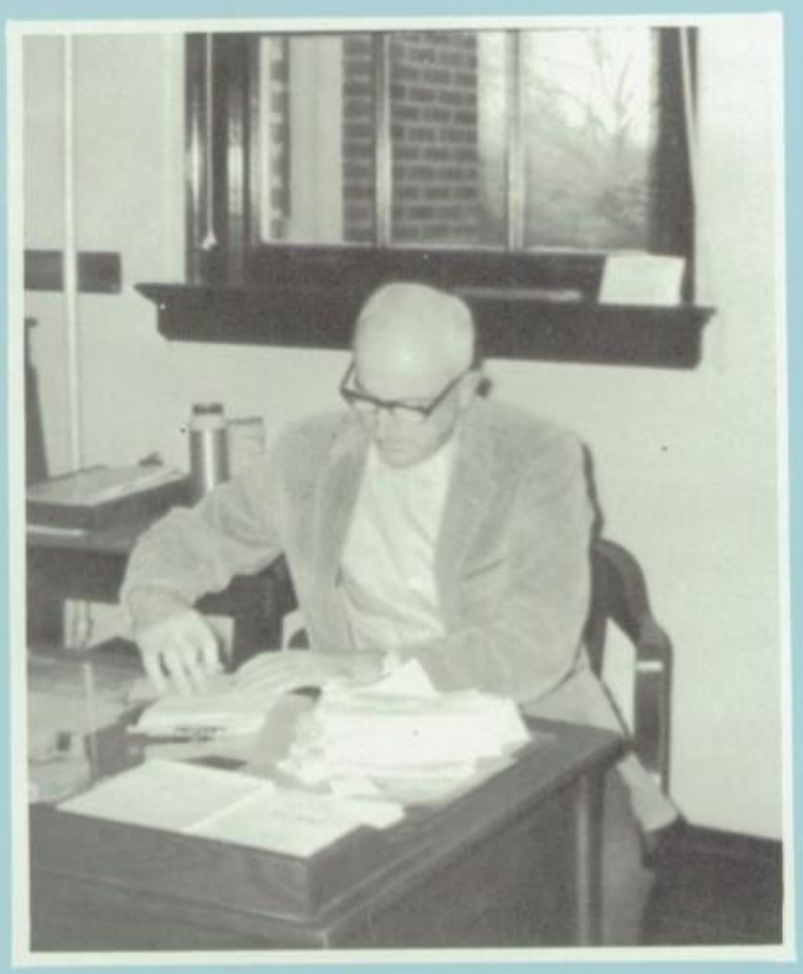
Everyone respects this fine principal and looks to him for advice and help. He is never too busy to stop and talk with a student or to help the school in any way he can.

In appreciation for such devoted service, we proudly dedicate the 1967 TIGER to our "Coach" Nesmith.



"If I were sitting here and the whole outside world were indifferent to what I was doing, I would still want to be doing just what I am."

To Mr. Marshall Nesmith, We Dedicate



— the 1967 Tiger —

High

Happiness is being a part of the high school student body!

Sophomores--awed, bewildered, confused!

Juniors--accustomed to confusion, conscious of senior rings, and anticipating their senior year!

Seniors--leaders of the followers, sentimental at the end, but proud to be C. S. graduates!

This is the student body.

These are the classes.

Every summer, students from over the state of Mississippi come together in order to learn, through experience, the various functions of our State Government. Through enactment of the duties assigned them in their elective offices, the participants prepare themselves, as future citizens, for an active roll in the leadership of their country. This is sponsored by the American Legion.

IN THE CHEERLEADERS OPINION: The Tigers were victorious--not only on the field but also in the stands and pep rallies. Indian Week was most successful, especially in the 27-7 victory Monday Night. But most important of all was the spirit of the Tiger team and fans in defeat as well as in victory.
